Re: *Advanced Methods to Target and Eliminate Unlawful Robocalls*, CG Docket No. 17-59

Dear Ms. Dortch:

On May 22, 2018, Ken Culpepper and Clark Whitten from Cox Communications ("Cox") and the undersigned met (by telephone) with John Adams, Eric Burger, Jerusha Burnett, Kenneth Carlberg, Heather Hendrickson, Sherwin Siy, and Ann Stevens to discuss Cox's plans to implement SHAKEN/STIR. We discussed Cox's ongoing transition from a hybrid TDM-IP network to an IP network. Cox explained its target date to begin to test SHAKEN/STIR for its residential customers is late 2018 to early 2019 with broader implementation occurring in 2019.

Pursuant to section 1.1206(b) of the Commission's rules, 47 C.F.R. § 1.1206(b), this letter is being filed with your office.

Sincerely,

/s/ Jenny Prime
